## The News in Brief

INDEPENDENCE DAY, 1953—All but the youngest among can remember the days when the Fourth of July was the most exciting holiday of the year. It was a day for personal participation in fireworks displays and a day for sitting in the broiling sun responding to the orators' emotional appeals to our sense of patriotism.

In the last couple of decades, however, we've become more sedate and sophisticated. Fireworks displays are much safer to watch from a distance and oratory isn't considered in too good form. Emotions have been psychoanalyzed and patriotism, we are told by some of the more enlightened among us, is an old hat.

Even though we observe the anniversary of our country's independence more quietly than we used to, most of us love of country burns with undiminished faith and understanding of America's special ideals of individual freedom and opportunity still deeply imbedded.

Indeed, there are signs all about that a resurgence of old-fashioned patriotism is at hand. The sophisticated dogma that the ideals of our country's founding fathers are out of date in the modern world is being fewer takers. The argument of the one-worlders that mere surplus vegetables is preferable to risks that free men must take in order to have liberty, falls on ears ever hard of hearing.

It seems to be realizing, once again, what our grandparents never did; that there's nothing ennobling about patriotism. If that's so—and we devoutly hope it is—

is true—the Fourth of July is coming into its own again as the most glorious day of the year.

WATER FOLLIES — Albany's nationally known sister swimming team, Lynn and Joan Pawson and Dawn Pawson Bean, with Sally Phillips, will be the aquatic stars of the "Water Follies of 1953" to be held at 3 and 4:30 p.m. July 4th at the Albany Pool. The famed swimmers hold the title of senior national championship synchronized swimming team. The show, with a cast of over 35 swimmers, will also feature Al White, double Olympic diving champion of several years back. Admission is 25 cents for children and 50 cents for adults. The follies is part of Albany's annual Fourth of July celebration.

BAIT CASTING CHAMP—Mrs. Isabelle Betten of Albany took top honors in the California Women's Casting Club's 14th annual tournament held recently at Golden Gate Park. After close competition with Thelma Ralston of San Francisco, both women tied for a total of 351 points in the four accuracy events with the Albany woman winning out in the castoff. The trophy will be the permanent possession of the woman who wins it for a third year. Mrs. Betten is the 1951 champion, with Mrs. Barbara Hutton claiming the 1952 championship.

AF TRAINING—Fred A. Granholt, 19, A/3c, son of Mr. and Mrs. Fred Granholt of 617 Spokane Ave. is undergoing specialized training at the Airplane and Engine Mechanic's School at Sheppard Air Force Base, Texas. He will receive intensive training designed to provide him with thorough knowledge required in servicing, inspecting and maintaining aircraft currently used by the Air Force. Airman Granholt entered the Air Force on January 27, 1953.

### Council Rejects EBMUD Plan for Hill Reservoir

The Albany City Council today has rejected a plan submitted by the East Bay Municipal Utility District to construct a 77,000,000 gallon reservoir on top of Albany Hill.

The proposal was rejected by unanimous vote of the Council at a "courtesy" hearing Monday night, during which Councilmen went on record as favoring development of the hill in its present shape.

The decision was a victory for hundreds of local citizens who during the past months have vigorously opposed hill development plans submitted by Realtor C. H. Eccleston and EBMUD's reservoir project. More than 3000 signatures on petitions have been presented protesting the two proposals.

During the hearing Monday night, EBMUD Chief Engineer Robert C. Kennedy presented a detailed outline of the water district plan to develop the hill.

He warned of the possible dangers that the city might face, without the reservoir, in event of a serious earthquake, fire or atom bomb attack.

Benefits from the 77,000,000 gallon reservoir, Kennedy continued, have been considered on the basis of 200 years into the future. "These benefits," he pointed out, "certainly outweigh present-day opposition."

Councilwoman Mrs. Kathie Zahn asked the engineer "is it right that the EBMUD has the power of eminent domain?"

"Yes," answered Kennedy, adding, "we can take property through court action."

"Would your company take property through court action," she asked.

Kennedy said he wouldn't speak for the company. "It would be decided by the board of directors."

Dyer B. Pierson, an attorney representing the Albany Citizens Committee, a group opposing both plans submitted by EBMUD and Eccleston, said:

"The people have been fighting to keep the hill in its present state for many years. It is the hope of the people that something definite be done to assure them it will be kept in its present state."

On a motion of Mrs. Zahn, the Council moved that the EBMUD request be rejected.

In other action, a sum of \$35,000 held over from last year for purchase of land was transferred to the city's capital outlay fund to be used for a new centralized civic center when a suitable location is found.

The measure was unanimously approved by the Council on a motion of Councilman Jerome Blank and seconded by Councilman Edward Combs.

### 40-Unit Parade Opens All-Day Fete at 10 a. m.

Excitement was increasing today as Albany's Eighth Annual Fourth of July Parade and Celebration draws near.

Expected to be the largest in the city's history, the all-day celebration will get under way at 10 a.m. Saturday with a 40-unit parade of marching units, bands, floats and spirited horses which will set the pace for a day of pageantry and color.

Following the parade, continuous entertainment is scheduled through the day at Memorial Park for an estimated 15,000 local and visiting celebrants.

Parade entries will assemble in the vicinity of Peralta and Solano Aves. at 9:30 a.m., according to Emmett Devine, general chairman. Line of march will continue west down Solano Ave. to San Pablo Ave., north on San Pablo to Portland Ave. and east on Portland to Memorial Park.

Seven hundred dollars in cash prizes will be awarded for the first and second place winners of the 14 different parade classifications. The judges' stand will be located at Solano and Key Route Blvd. with the judging handled this year by the All-American Association of Contest Judges.

Immediately after the parade, a varied program of activities for all ages is scheduled at Memorial Park as follows:

11 a.m.—Championship softball game, Tony's Signal Service vs. The Wind-Up.

12-1:30 p.m.—Picnic lunch, tournaments, horseshoes, ping pong, games, races, etc.

### Exchange Club To Dedicate Shrine July 4

The Albany Exchange Club will dedicate its Shrine of Freedom at special rites to be held at 2 p.m. Saturday, July 4, at the site of the monument, Solano and Key Route Blvd.

A shrine to be dedicated as a constant reminder to American of the freedoms they enjoy, the edifice was recently completed after three years of work and planning at a cost of over \$1500.

The nine-foot torch-like stand is constructed of cement faced with marble, with a specially designed neon light on top which resembles an everlasting flame.

A 300 square foot brick and concrete plaza with seat has been placed around the shrine as a contribution from the city.

The project was started in October, 1950, during the term of President Sid Weinzeimer on an original idea proposed by past president William Garren. Actual construction of the shrine was held up over the question of location.

A bronze plaque is set into the base of the shrine containing the inscription:

"Grant us grace to enshrine in our hearts a reverence for freedom, courage to defend it and wisdom to employ it in peace and justice among all men."

The inscription was selected as the result of a contest sponsored by the club, submitted by Mrs. Wallace Mardilla, former member of the Albany Library Board.

Joseph Young, shrine chairman, has announced that several national and state Exchange leaders will be present at the dedication program, in addition to city and county representatives. Among the Exchange officials will be State President Jefferson E. Peyser of San Francisco and President-elect Paul D. Dail of San Diego.

President Vernon Freeman will preside, and the colors will be presented by Albany Post No. 292, American Legion color guard.

### Fireworks Are Illegal Here

In view of the approaching Fourth of July holiday, the Albany City Council today has issued an appeal to all parents to aid in the restriction of the shooting of fireworks in the city.

Mayor Lewis M. Howell said in a letter to organizations and churches that "local Ordinance No. 618 prohibits the sale and shooting or use of any type of fireworks within the city limits (with the exception of toy cap pistols) and carries a penalty of \$500 or 6 months imprisonment in the City or County Jail for violations thereof."

Mayor Howell pointed out that "in the past the Independence holiday has robbed many Albany children of their rightful future independence by loss of eyesight and limbs."

City Council

(Continued from page one)  
has been in the general fund for the past two years, proposed that the city start out with a new firehouse, then proceed with a police station and city hall.

In reviewing the city's accomplishments for the past fiscal year, Blank said that "we are now in the position where we should start thinking about expanding our physical plant, our building, since our present ones are hopelessly inadequate."

He called the city's firehouse both a fire and earthquake hazard and warned that "in the event of an earthquake catastrophe all the city's fire-fighting equipment might be lost before it could even get out on the streets."

"We should commence looking right away for a site for the civic center," Blank said. "Then if we can lay aside a certain surplus each year we might be able to make a start towards building a firehouse without a bond issue."

"This is no time to drop taxes," he added. "We should leave them where they are and bring our plans up to date."

Read at the same meeting was a letter from Mrs. Zahn pointing out that the city was ending its business year with an unexpected \$27-

## United Crusade Leaders Named

United Crusade's 1953 residential drive in Albany will be headed by Mrs. Harry C. Weaver of 1038 Peralta Avenue, chairman, and Mrs. Eugene M. Blank of 1562 Marin Avenue, co-chairman.

Their appointments were announced this week by Mrs. Clifford Heimburger of Berkeley, general residential chairman for the 1953 East Bay United Fund Drive, to take place in October. The campaign will raise funds for more than 85 health, welfare and youth agencies serving the East Bay.

000 in addition to the \$35,000 building fund.

The healthy surplus, she said, was sufficient to warrant a considerable reduction in the property tax rate for the coming year.

She called upon the Council to eliminate expenditures of \$15,500 from the 1953-54 budget, which included alterations to the present City Hall costing \$2500, installation of a fire alarm board, \$7000 and adoption of a new accounting system, \$6000. No action was taken on Mrs. Zahn's proposal.

A bill submitted by Police Chief Stanley Williams for \$331 to cover the services rendered him in Alameda County Superior Court by the law firm of Fernhoff and Wolfe was held over a week pending a legal report of the City Attorney.

Mrs. Weaver also directed the Albany residential campaign for United Crusade in 1953. For seven years, she campaigned annually for the Community Chest, one of the six major causes that combined last year for the United Crusade because of popular demand for a unified appeal.

The wife of an Albany real estate man, Mrs. Weaver has lived in California for 15 years and in Albany for nine. She was born in Indiana, and received a teaching credential from the University of Michigan. At present she is a substitute teacher in Berkeley elementary schools.

She has two daughters: Nancy, 15, is a student at Albany High School, and Susan, 10, has just entered the Girl Scouts, a Community Chest youth agency. Mrs. Weaver has served as an assistant Girl Scout leader.

Mrs. Blank is another experienced Crusader, with service in the Albany residential division in 1952. Formerly leader, she is now assistant leader of Troop 156 in Marin School, and she served as area chairman in the 1952 American Red Cross residential campaign.

The two women will lead a force of 175 volunteer solicitors, the vital "foot-soldiers" of the campaign. Assisting the community chairmen in directing the solicitation will be four area chairmen: Mrs. Melton Porter, north area; Mrs. G. R. Geering, south area; Mrs. George Nesbitt, east area, and Mrs. Stanley Schaugard, west area.

## Junior Red Cross Promotes Good Will

Junior Red Cross sections in the Berkeley and Albany schools made definite strides in the promotion of universal understanding and good will between countries during the past year.

Outstanding among the many projects was an international correspondence exchange activity carried on in the second-year French class at Albany High School as part of the class work. According to J. T. Aungst, Jr., chairman of the local chapter's Junior Red Cross, the correspondence album was sent to the League of Red Cross Societies in Switzerland where the Supervisors of Education will make arrangements for its disposition to a French school.

The book is done in French. Usually albums for foreign disposition are in English. Included are brief descriptions of national and state governments. Highlights are pictures of the students' home lives. Pictures of family Christmas trees, birthday parties, and school and community events are included.

Leaders in the school providing the stimuli for the project are Mrs. Margaret Cude, French teacher, and Mrs. Constance Dietsch, teacher-sponsor at Albany High School.

## Polio Conference

Properly trained women volunteers are in a key position to provide care for infantile paralysis patients, and also better public understanding of the disease during the coming polio season, according to Mrs. Will H. Betten, of Albany, who recently returned from a Northern California State Women's Conference on Polio in San Francisco. Mrs. Betten was the delegate from the Berkeley-Albany Council of Parents and Teachers.

The conference was under the sponsorship of the National Foundation for Infantile Paralysis. Mrs. G. L. Drennon of San Leandro, Northern California, Advisor on Women's Activities for that organization, was chairman.

"We learned that the Foundation's Polio Emergency Volunteer program can perform great service both to families and to a community as a whole when polio strikes in a locality," Mrs. Betten said. "For example, properly trained women can perform many functions necessary to long-term patient care, thereby leaving the regular hospital staff free to concentrate its efforts where most needed," she continued.

Mrs. R. O. Pearson of Abilene, Texas, lead the day-long discussions which outlined services to patients volunteers can perform. Some of the areas mentioned were assisting in clerical duties, entertainment, education, providing transportation, visiting patients and families, aid-nurses and assisting therapists.

## To Head Albany United Crusade

A United Crusade "cabinet" a group of 40 community leaders who will plan and direct the 1953 campaign of the East Bay United Crusade, had held its first meeting today and set the date for the campaign's fall "kick-off."

William H. Park, general campaign chairman and cabinet leader, announced October 6 will be the opening date of the East Bay's second unit appeal, which currently combines the fund-raising efforts of eight major organizations.

Albany is represented on the cabinet by Harold W. Olson, of Ellis-Olson Mortuary, who is the local community cooperation chairman.

His job will be to develop volunteer organization and coordinate campaign efforts of the various production departments within the community.

Although this will be Olson's first year with the United Crusade fund drive, he has had fund-raising experience as chairman of the Berkeley-Albany-Kensington drive of the American Red Cross in 1950. He is a member of the board of directors of the Berkeley chapter, American Red Cross, and of the Alameda County Heart Association.

His other community activities include Albany Rotary Club and Albany Hi-Twelve. Olson is past president of Bayview Aerie, F.O.E., past patron of Albany chapter 550, O.E.S., and past watchman of the shepherds, Fidelis Shrine. He belongs to Albany Lodge, Scottish Rite, and the Albany Temple of the Shrine.

Born in Kansas, Olson began grammar school in the then small town of Richmond. He was graduated from local schools, and with his wife, May Ellis Olson operate the Ellis-Olson Mortuary in Albany.

## Council Meeting

At the last meeting of the Berkeley-Albany Council of PTA's in June, Mrs. James Kidwell, historian for the Council, presented a resume of the achievements of the Council for the past year.

Her report covered the many activities conducted by the Council, headed by the president, Mrs. Robert Kleinhammer and the officers. Meetings of the year were mainly centered about service to the units' needs, such as rules of parliamentary procedure, aid in conducting successful meetings and fund-raising events, audio-visual aids, safety aids and a study of television and education with Mrs. Kleinhammer and others giving reports on the Governor's conference for television which was held in Sacramento.

Of interest also, was the parent education meetings, with Mrs. Frank Zamoroni as chairman, which presented a series of eight weekly classes entitled "Creative Activity in Our Children." Well known teachers in the fields of art, music, science, instructed the classes. In conjunction with other community groups they became a sponsoring agent for a series of lectures on "Youth and Marriage."

The Clothing Room, sponsored also by the Council, had a busy and eventful year. In December it was broken into and many articles of clothing taken. It was restocked and 490 school children were clothed during the year, under the direction of Mrs. Stanley Ellis, chairman.

The 22 PTA units combined have 8958 members, the representatives

### I SAVED \$116.86 ON THE CAR I BOUGHT

"I made over a 50% down payment on a late-model car. I was told it would cost me \$257.80 to insure the car and finance the balance of \$700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan I wanted and paid an insurance and financing charge of only \$140.74. I saved \$116.86." (One of many actual cases.)

Many People Assume Finance Rates Are Standard

THEY ARE NOT!

The Bank Plan offers you two proven money-saving methods. Low-cost financing through a money bank and low-cost preferred-risk insurance rates. Get your own figures on the cost of the car you want and COMPARE them with the Bank Plan costs. FREE! Call or see your State Farm agent BEFORE you buy.
